“Frank was a warm, kind and amiable person. He was also a champion of the nuclear industry with an unfailing focus on progressing nuclear innovation, standards and awareness.”

John MacQuarrie
President of BWXT Canada Ltd.
and Vice-chair of the CNA Board

Meeting Natural Resources Minister Seamus O'Regan during CNA2020

“The list of Frank’s accomplishments goes on; it is an understatement to say he was an asset to our industry. He will be greatly missed.”

John Gorman
President and CEO of CNA

“To say I enjoyed and treasured these many conversations cannot convey how important they were for me. There was always some nugget of insight, experience, advice that I knew I could hold onto and use.”

John Barrett
Former President and CEO of CNA

“As G4SR Conference Chair, I would like to memorialize Frank as a kind, warm and generous person with wealth of knowledge and patience to answer any questions from anyone looking for his insights.”

Wilson Lam
Conference Chair of CNS G4SR

“He was a dedicated supporter of CNS conferences and a strong advocate of the pan-Canadian SMR Roadmap.... He will be greatly missed.”
