Alice Wong
Chair, GHRC Committee

Alice:

I am writing to you as the Chair of the CNA Governance Committee to advise you that I have stepped down as the President of the Society of United Professionals – IFPTE Local 160. As of May 6th, Michelle Johnston is the new President of the Society.

I have discussed the CNA Board seat I currently hold with Michelle, and we both agree that it is in the best interest of both the Society and the CNA if I resign my position as a Director on the CNA Board with the intention that Michelle would assume this seat for the remainder of the current term. With that understanding, please accept my resignation from the CNA Board. I would ask that you initiate the internal process to allow Michelle to assume my responsibilities with the CNA.

I would like to add that it has been a pleasure working with you, both on the Board and in particular on the Governance Committee. I hope that our paths will cross again in the future.

Sincerely,

Scott Travers
